Subject: Letter of Recommendation for Anthony Merante

To whom it may concern:

I am delighted to write this letter of recommendation for Anthony Merante to support his application for any software development position.

Anthony was a student of mine in the INFO5101 C# Advanced Topics course, who successfully completed the course with an excellent final grade of A+ (98%).

Anthony was an exemplary student who attended all classes and frequently engaged in class discussions. Regarding evaluations, regardless of the content or deadline, Anthony always delivered excellent solutions on time and showed a thorough understanding of the course material. Anthony has shown to be outgoing, hardworking, and a very respectable student. It was an honor to have such a dedicated and exemplary student in my class!

I believe that Anthony is a great candidate for any software development position within your company, and I strongly recommend him for a job.

If I can provide any additional information to support Anthony, please do not hesitate to contact me at my email helyamany@fanshawec.ca

Sincerely,

Hany ElYamany

Professor, School of Information Technology
Fanshawe College,
London, Ontario
